# FOR ALL THE OLD TIMES

SURRY COMMUNITY COLLEGE  
DOBSON, NORTH CAROLINA

1977-1978

LANCER

Its all been too fast ... too soon ... the good times, for me, for you, for us ...

Where did they go ... and why have they slipped away so silently, like a stream flowing into another and another ...

Time is change!

Change is the only constant thing in the universe and you are not the same person when you first passed through the doors of SCC as you are NOW!

KEEP YOUR  
COTTON PICKIN'  
HANDS OFF  
OTHER PEOPLE'S  
WORK!

We didn't stop to count the minutes or the hours,  
but just remembering the old times ... were they  
only for us or did any outsider ever know?
